310-848-4950

## EXPERIENCE

### **CivicConnect, UX Designer, 11/2011 to 01/2019**

- + Designed interface mockups, landing pages, emails, logos, and icons
- + Developed large-scale responsive websites for desktop, mobile, and tablet
- + Created functional prototypes using InVision and Bootstrap (HTML5, CSS3, jQuery)
- + Performed site optimization, cross-browser testing, and accessibility testing
- + Utilized troubleshooting skills to fix technical issues and squash front-end bugs
- + Provided front-end code recommendations/estimates and technical documentation
- + Communicated directly with clients to plan and execute website enhancements
- + Managed and supervised web design interns

### **Blitz Agency, Web Developer, 06/2011 to 11/2011**

- + Helped launch numerous FX Networks microsites and social media campaigns

## EDUCATION

### **The Art Institute of California - Los Angeles, 09/2011**

#### **Bachelor of Science, Web Design & Interactive Media**

- + Completed 4 Internships in Web Design/Development
- + Won 7 "Best of Quarter" Awards for Web Design/Development
- + Member of the President's Club, 2010 to 2011
- + GPA 3.9
